

Prize Categories

RUN Hereford has three prize categories.

TOP THREE PLACED

This prize category is for the top three males and the top three females in each race. The winners of these prizes will be rewarded with a bespoke, hand-carved wooden sculpture and voucher. This category is based on GUN TIME.

VETERAN/YOUTH AWARDS

This prize category is for those running in an age category. The age categories are listed below and are specific to each race. The winners of these prizes will be rewarded with a bespoke, hand-carved wooden sculpture. This category is based on CHIP TIME.

TEAM PRIZE

This prize category is for club affiliated runners. To be part of this category you will need to have registered your club with us when registering yourself. We may not be able to register you as a club runner after the race. The prize is awarded to the team with the four best-placed athletes in each race. There must be a mix of male and females in the team. The winners of this prize will receive one bespoke, hand-carved wooden sculpture for the club and a voucher for each member of the quad. This category is based on GUN TIME.

*Top placed and veteran/youth award conflicts. If a runner is in the top three placed and the fastest veteran/youth they will relinquish the veteran/youth award in favour of the top three placed award. The veteran/youth award will go to the next fastest runner in that category.
